CHARTIFACTS

Week Commencing ~ 26th January 2009 ~ Issue #987

SINGLES. The Fray have zoomed past everyone this week to take out the top spot with *You Found Me*. Meanwhile, The Ian Carey Project might be one to watch out for, as *Get Shaky* heads to No.2 this week. Taylor Swift's *Love Story* and The All-American Rejects' *Gives You Hell* both move into the Top 20 this week, sitting at No.14 and No.15 respectively. Further along Saving Abel move up twenty places to join the Top 50 at No.48 with *Addicted* and Ladyhawk's *My Delirium* joins them at No.49, up nines places from last week.

No.16 MY LIFE WOULD SUCK WITHOUT YOU – Kelly Clarkson. Having spent almost two years from the public eye, Kelly Clarkson is back on top of her game. Clarkson entered the spotlight after winning the first season of American Idol. She is also the only artist to have won the series to garner major popularity here in Australia. The singer with the powerhouse voice has had all ten of her single releases reach the Top 40 and *My Life Would Suck Without You* makes eleven. Stand out releases include four Top 5 singles – *Never Again* (No.5 June '07), *Because Of You* (No.4 Dec. '05), *Since U Been Gone* (No.3 Feb. '05) and *Miss Independent* (No.3 Oct. '03).

No.33 EVERYBODY'S FREE – Global Deejays. Austrian dance music outfit, Global Deejays is comprised of DJ Taylor (Konrad Schreyvogel), DJ Mikkel (Mikkel Christensen) and FLOW (Florian Schreyvogel). They have had hits in Europe and Russia which have included *The Sound Of San Francisco*, *Stars On 45* and their only charting single here – *What A Feeling (Flashdance)*, which peaked at No.44 in July '05. *Everybody's Free* is currently being used to promote the new *So You Think You Can Dance* series and was originally a No.11 hit for Rozalla back in 1992.

No.78 ULYSSES – Franz Ferdinand. Taking their name from Archduke Franz Ferdinand of Austria, Scottish band Franz Ferdinand exploded onto the music scene in 2004 with their single – *Take Me Out*. The track peaked at No.25 in August that year, the same year they won the coveted Mercury Prize and in 2005 they took home two Brit Awards for Best British Group and Best British Rock Act. The band has been working in the studio since late 2007 and Ulysses is their first track to be taken from their latest album *Tonight: Franz Ferdinand*.

No.82 WHITE HORSE – Taylor Swift. Nineteen year old country music starlet, Taylor Swift had a talent for music at a very young age. At ten, Swift began writing songs and singing in karaoke contests and at age twelve she learned how to play the guitar. Now, the singer has sold millions of records in America and is starting to make a name for herself here in Australia. *White Horse* is the second single to be lifted from the album, *Fearless*. The first single was *Love Story*, and is currently sitting at No.14 on the ARIA Singles Chart this week.

No.90 ALL NIGHTMARE LONG – Metallica. Legendary hard rockers, Metallica strum out another track from their most recent album *Death Magnetic* (No.1 Sep. '08). *All Nightmare Long* follows *The Day That Never Comes* (No.18 Sep. '08), *My Apocalypse* (No.38 Sep. '08), *The Unforgiven III* (No.41 Sep. '08) and *Cyanide* (No.49 Sep. '08). The band which is made up of James Hetfield, Lars Ulrich, Kirk Hammett and Robert Trujillo. Metallica will be inducted into the Rock n Roll Hall Of Fame this year, where they will be joining the likes of a vast array of musicians including Elvis Presley, AC/DC and Madonna.

No.96 REVELRY – Kings Of Leon. Kings they certainly are! Kings of the ARIA Albums Chart to be precise. Kings Of Leon have spent the last four weeks atop of the albums chart with their album *Only By The Night*. This has been accredited six times platinum and has spent a total of eight weeks at No.1. *Revelry* has been lifted from this album and follows the No.1 selling, double platinum track – *Sex On Fire* and *Use Somebody* (No.2 Jan. '09). The band is heading to our shores very soon for a tour of the country.

No.99 THINKING OF YOU – Katy Perry. American performer, Katy Perry is no stranger to controversy as she made waves with her debut single *I Kissed A Girl* back in July last year, dominating the ARIA Singles Chart for six consecutive weeks. She then again caused a stir with the track *UR So Gay*, which failed to make an impact on our chart. *Thinking Of You* is Perry's third Top 100 single, it follows *Hot N Cold* (No.4 Oct. '08). Perry's main musical inspiration is Queen and also cites Cher, Alanis Morissette and Cyndi Lauper as influences.

ALBUMS. Once again, our Top 10 remains almost identical to last week, with only a few entries swapping places. Kings of Leon's *Only By The Night* is at No.1 again, for the fourth week in a row. Interestingly, it spent four consecutive weeks at the top of the albums chart beginning in July last year, and has spent its entire 19 weeks since release in the Top 4. Some of our movers and shakers this week include P!nk's *I'm Not Dead* as it moves from No.26 to No.18, *Incanto* by Andrea Bocelli as it jumps from No.87 to No.56 and the *Slumdog Millionaire Soundtrack* is at No.66 from No.98 last week.

No.33 THE CRYING LIGHT – Antony & The Johnsons. This is Antony & The Johnsons second album. Their debut album *I Am A Bird Now* peaked at No.69 in January 2006 and was also the recipient of the Mercury Prize in the UK in 2005. Antony & The Johnsons is fronted by Antony Hegarty. The rest of the band is comprised of Julia Kent (cello), Parker Kindred (drums), Jeff Langston (bass), Doug Wieselmann (horns), Maxim Moston (violin) and Rob Moose (guitar and violin). If you were wondering about the photograph on the cover of the album, it is a photo taken in 1977 of Kazuo Ohno a renowned dancer of the Japanese 'butoh' technique.

No.51 FOR EMMA, FOREVER AGO – Bon Iver. This album was brought about by a time of turmoil and change for Justin Vernon. Vernon had left his long-time band, his relationship with his girlfriend had broken up and he fell ill. He then decided to go stay by himself in his father's cabin in Wisconsin and ended up spending his days recording. The majority of the parts was recorded by Vernon, and if you listen carefully in some songs you can occasionally hear the creaks of the cabin surrounding Vernon at the time. *For Emma, Forever Ago* was actually released in July, 2008 but following the wrap up of his recent tour here, there's no surprise as to why his album has made it into the top 100 this week. Bon Iver is taken from the French 'bon hiver' which means 'good winter'.

No.79 MERRIWEATHER POST PAVILION – Animal Collective. This is the first album of Animal Collective's to hit the top 100. Their previous album was called *Strawberry Jam*. Animal Collective is made up of four friends from Baltimore County; David Portner (Avey Tare), Noah Lennox (Panda Bear), Josh Dibb (Deakin) and Brian Weitz (Geologist). This album was created using samplers as the main instrument, an idea they came to after Dibb, who plays guitar, took some time off from the band and they started to create music that didn't need a guitar part. *Merrweather Post Pavilion* is named after an outdoor music stage in Maryland.

No.93 SUGAR MOUNTAIN: LIVE AT CANTERBURY HOUSE 1968 – Neil Young. This is a live recording of an acoustic set that Young performed soon after he left the group Buffalo Springfield. In between the songs you can hear Young engaging with the crowd. Canterbury House was set up as a coffee house on the campus of the University of Michigan and many talented artists performed there. Just keeping with Young's albums that have hit the top 40 leaves us with a considerable list; *Harvest Moon* (No.40 Nov. '92) accredited gold, *Unplugged* (No.19 Jul. '93) accredited gold, *Golden Anniversary Edition* (No.38 Aug. '94), *Sleeps With Angels* (No.23 Aug. '94), *Mirror Ball* (No.4 Jul. '95), *Silver & Gold* (No.30 May '00), *Greatest Hits* (No.25 Jan. '01) accredited platinum and *Live At Massey Hall 1971* (No.34 Mar. '07).
